

December 7, 2015

Dear Post-Doctoral Fellowship Applicant,

Capstone Behavioral Healthcare is currently accepting applications for a post-doctoral fellowship opportunity for the 2016-2017 year. Capstone Behavioral Healthcare is a community mental health center located in Newton, Iowa.

The fellowship will incorporate a wide array of clinical experiences that may include individual and group therapy, assessment, and participating in a multi-disciplinary treatment team that includes mental health, medical, and community based service professionals. The population served includes children, adolescents, adults, and the aging. Clients with a full spectrum of diagnoses are served at the center and our agency offers a variety of services and treatments to address these concerns.

Psychological assessment opportunities may include assessments of personality, learning disabilities, attention deficit disorder, cognitive functioning, intelligence and initial screening for autism spectrum disorders. Our treatment team is also trained in a wide variety of modalities including PCIT, EMDR, CBT, TF-CBT, DBT, MBSR, ACT, Heartmath, and other mindfulness based interventions and opportunities may exist for mentorship and/or training in these areas.

Our treatment team includes psychologists, social workers, mental health counselors, a drug and alcohol counselor, medical professionals, and residential and community based support staff. There are a variety of experiences available and many opportunities for multidisciplinary consultation.

The salary for the fellowship will be \$35,000 with 2 weeks of paid time off. Also provided are: liability insurance, paid holidays, and health insurance. It is anticipated that the post-doc would begin the first of August but this is negotiable pending the timeline of the candidate.

If interested in the position please provide a letter of interest, a copy of your vita, graduate transcript, a copy of a past psychological assessment (appropriately edited to protect confidentiality), and three letters of reference. The materials should be addressed to Amanda Johnson, PhD, Clinical Director at Capstone Behavioral Healthcare and can be emailed to [amandaj@capstonebh.com](mailto:amandaj@capstonebh.com). Questions may be directed via email or phone 641-792-4012. The deadline for applying is January 22<sup>nd</sup>, 2015 or until the position is filled.

Sincerely,

A handwritten signature in cursive script that reads "Amanda Johnson Ph.D.".
